## Summer Paving Schedule

Harrisonburg, VA – The City of Harrisonburg’s Public Works Department will begin the second phase of its summer paving schedule next week.

This maintenance program resurfaces prioritizes City streets based on the condition of the asphalt.

Crews will first begin by milling the streets, which consists of removing approximately 1 ½ to two inches of old pavement and replacing it with new asphalt several days later.

The areas that are being paved will be well marked with signs to alert motorists, who are encouraged to use caution and drive slowly.

Streets that will be repaved:

- Park Road, from Parkwood to Shank drives
- Chicago Avenue, from West Wolfe to West Gay streets
- Green Street, from Virginia Avenue to North Dogwood Drive
- North Liberty Street, from West Gay Street to Edom Road
- East Elizabeth Street, from Mason to Sterling streets
- East Wolfe Street, from Sterling Street to Old Furnace Road
- Ott Street, from Paul Street to the end of the street
- Grace Street, from South High to Willow streets

- more -

Three nighttime paving operations will also take place toward the end of July. Reservoir Street, from Cantrell Avenue to the Interstate 81 bridge; East Market Street, from Linda Lane to the eastern City limits; and the intersection of Port Republic Road and South Main Street will all be milled and repaved at night.

During the nighttime paving operations, it is anticipated that the work will run from 6 p.m. until 6 a.m.

Additional information will be sent to the public closer to the time of these nighttime paving operations.

This schedule can be subject to change due to weather conditions and unforeseen maintenance on equipment.

Anyone with questions is asked to contact the Public Works Department at 540-434-5928. Additional information can also be found at [www.HarrisonburgVA.gov/paving-schedule](http://www.HarrisonburgVA.gov/paving-schedule).
